Academic calendar

The semester system started Fall 1999 for all University of Minnesota campuses. Prior to Fall 1999 the University used a quarter system with these exceptions: Law school started on semesters Fall 1981, and some College of Continuing Education courses were taught on a semester calendar but the credits reported as quarter credits.

Accreditation

The University of Minnesota is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools.

Grading definitions

- A – achievement that is outstanding relative to the level necessary to meet course requirements
- B – achievement that is significantly above the level necessary to meet course requirements
- C – achievement that meets the course requirements in every respect
- D – achievement that is worthy of credit even though it fails to meet fully the course requirements
- E – achievement that is significantly greater than the level required to meet the basic course requirements but not judged to be outstanding
- F (or N) – represents failure (or no credit) and signifies that the work was either (1) completed but at a level of achievement that is not worthy of credit or (2) was not completed and there was no agreement between the instructor and the student that the student would be awarded an I (see also I)
- H – Honors (used by Law School and Medical School only)
- I – (Incomplete) assigned at the discretion of the instructor when, due to extraordinary circumstances, e.g., hospitalization, a student is prevented from completing the work of the course on time. Requires a written agreement between instructor and student
- K – assigned by an instructor to indicate the course is still in progress and that a grade cannot be assigned at the present time

- LP - low pass (used by Law School only)
- NG –no grade required
- NR - grade not reported
- O – represents outstanding achievement for Doctor of Medicine and Doctor of Veterinary Medicine programs
- P – achievement designating passing work
- Q – achievement designating passing work
- R – a course related registration symbol
- S – achievement that is satisfactory, which is equivalent to a C- or better for undergraduate students (C or better on the Duluth campus). Graduate and professional programs may establish higher standards for earning a grade of S.
- T – test credit
- V – registration as an auditor or visitor (a non-grade non-credit registration)
- W – entered by the registrar’s office when the student officially withdraws from a course after the second week
- X – reported by the instructor for a student in a sequence course where the grade cannot be determined until the sequence is complete – the instructor is to submit a grade for each X when the sequence is complete
- Y – assigned from Fall 1929 to Summer 1959 to indicate the student canceled while doing passing work
- Z – assigned from Fall 1929 to Summer 1959 to indicate the student canceled while doing failing work

On the Twin Cities campus from Fall 1972 through Summer 1977 and on the Morris campus from Fall 1972 through Summer 1985, the official University transcript included only positive academic achievements. Courses in which the student received a grade of N or a registration symbol of I or W did not appear on the transcript.

Grade/Numeric Point Average formula

Effective Fall 1997, grade point values were standardized for the University. All units except Law use: A = 4.000, A- = 3.667, B+ = 3.333, B = 3.000, B- = 2.667, C+ = 2.333, C = 2.000, C- = 1.667, D+ = 1.333, D = 1.000, F = 0.000, I = 0.000, K = 0.000, X = 0.000. Effective Fall 2004, the Twin Cities campus Law School uses University standard grading, with the addition of A+ = 4.333 and excluding D+. Before 1997, most units did not use +/- . But the Duluth campus and the School of Management used: A = 4.0, A- = 3.6, B+ = 3.3, B = 3.0, B- = 2.6, C+ = 2.3, C = 2.0, C- = 1.6, D+ = 1.3, D = 1.0, F = 0.0 and the Twin Cities General College used A = 4.0, A- = 3.6, B = 3.2, B- = 2.8, C+ = 2.4, C = 2.0, C- = 1.6, D = 1.2, D- = 0.8, F = 0.0
Prior to Fall 2004, the Twin Cities campus Law School used a numeric rather than a grade point average for the *juris doctor (J.D.)* degree program. Grades ranged from 4-16 points based on the following: 14-16: Excellent/Outstanding; 11-13: Substantially better than average; 8-10: Minimally acceptable; 5-7: Inadequate (credits count towards degree completion, and NPA); 4: Failing; 0: Non-performance. Classes for which a 0 grade was earned are not included in NPA calculation. Grades earned in the *LL.M.* (Master of Laws) program were: A=4.00, B=3.00, C=2.00, D=1.00, F=0.00. No +/- distinctions are given.
